**Flexischool orders due before 9am Wednesdays**

***The weekly special has changed – we are now offering it as a “stand alone” item for \$3.50, we are no longer doing meal deals. The weekly specials will be confirmed on Flexischools or Facebook a few weeks in advance.***

***Please also note that all pre-orders must be made through Flexischools and we can't accept hand written cash orders anymore.***

***However kids will still be able to buy snacks, drinks and leftover hot food over the counter on the day with cash.***

***If you would like to order lunch for your child please make sure to pre-order to avoid disappointment. Only small amounts of left over hot food will be available on the day if not pre-ordered and some days it runs out quickly!***

***Thank You***
